I. General Information and Requirements

New for 2015

- Combined Quarterly filing of Maine Unemployment Contributions and Maine Income Tax Withholding is discontinued. All Maine withholding will be reported quarterly on Form 941ME. All Maine Unemployment Contributions will be reported quarterly on Form ME UC-1. The due dates for both returns remain unchanged with the quarterly return and payment of liability due the final day of the month following quarter end.
- Separate payment will be remitted for Unemployment Contributions and Income Tax Withholding.
- Separate file specifications are now available for withholding or unemployment contributions.
- ACH Debit payments are no longer accepted through MEETRS.
- Leasing specifications are eliminated and are now incorporated into Withholding and Unemployment Contributions specifications booklets.

How to Contact Us

- If you have questions regarding the electronic submittal of either Form ME UC-1 or Form 941ME, please contact Maine Revenue Services at (207) 626-8475, select 1, then option 4 or at withholding.tax@maine.gov.

This document contains information on the file format that is accepted by Maine Revenue Services for electronic submission of quarterly withholding returns.

A glossary of key terms and a copy of the acceptable record layout is included. ***Submissions that have missing or incorrect data will not be accepted.***

NOTE:

If you are filing:	Transmit the items below to Maine Revenue Services:
941ME	E, S, T, and R records for each employer using the MEETRS format. The file will begin with the A – Transmitter record and end with the F – Final record.
ME UC-1	See the MEETRS Unemployment Contributions file specifications.
941P-ME	1. Not eligible to file using the MEETRS format

Acceptable Transmittal

- Electronic transmittal is required. Magnetic media will not be accepted for quarterly returns.

Acceptable Format

- All files submitted through MEETRS must conform to these specifications.

Revised July 31, 2014

Submittal

- All returns of Income Tax Withholding submitted via MEETRS are uploaded electronically.
- The electronic transmittal is due by the end of the month following completion of the calendar quarter. For example, reports for the quarter ending March 31, 2015 must be submitted no later than April 30, 2015.
- Transmit the entire return, including the complete Total (T) Record. Submissions that have missing or incorrect data will not be accepted.
- Only original returns are accepted.
- Do not send magnetic media or paper forms with the same information as electronically submitted files.
- More than one file can be submitted by the same transmitter per quarter if necessary, but any duplicate Withholding Account ID Numbers across the files on the Employer (E) Record will cause the 2nd and subsequent files to be rejected.
- Employers or Nonwage filers may electronically file one original return per quarter. Additional returns for the same quarter will reject.
- Only one file may be uploaded at a time.
- Do not include Pass-through entity withholding (reported on Form 941P-ME)

Remittal

The following payment methods are allowed:

- ACH Credit method (Electronic Funds Transfer).

You must have previously registered with Maine Revenue Services as a credit method payer.

You may download an Electronic Funds Transfer Application at:

www.maine.gov/revenue/eft/homepage.html

Do not mail a payment voucher or make payment by check if paying by EFT.

Do not initiate a separate EFT payment through another system such as ACH Debit or Maine EZ Pay.

- Maine EZ Pay. Do not initiate a separate EFT payment through another system such as ACH Credit or ACH Debit. Do not mail a payment voucher or make payment by check.

You can access EZ Pay on our website at <https://portal.maine.gov/ezpay/welcome.do>

- Check.

To pay by check, print out a payment voucher from the MEETRS system and enclose the completed payment coupon with your check. Do not mail a payment voucher or make

Revised July 31, 2014

payment by check if you have already paid by EFT or Maine EZ Pay.

- If the transmitter is a payroll processor, payment must be made by EFT or Maine EZ Pay.
- Certain filers are required to make payment electronically. See MRS Rule 102 or call the Withholding Unit for more information.
- If you are filing more than one return electronically, a separate payment must be made for each account.

Electronic Submission Processing Schedule and Employer Retention

- Upload files directly using Maine Revenue Services MEETRS application.
- The upload process will have technical edits, and files having improper format or other technical problems will be rejected. See Appendix D.
- If a file is rejected, a description of the errors will be displayed. The files may be resubmitted after corrections have been made (no returns that have been transmitted successfully can be resubmitted).
- Failure to file properly could cause penalties to be assessed.
- It is recommended that transmitters retain a backup copy of their file.

Use of Agent

- Employers reported by agents are responsible for the accuracy and timeliness of their own reports. If an agent fails to meet the electronic filing requirements, the employer reported by the agent will be liable for any late-filing penalties and/or interest.

II. Electronic Filing Requirements

Basic Requirements

- Data should be uploaded electronically using the MEETRS specification format.
- Each file should contain data for only one quarter. Multiple quarters will be rejected.
- Each file should contain data for only Income Tax Withholding or Unemployment Insurance. Files containing S records with data for Unemployment and S records for withholding will be rejected.
- Only returns with valid Maine Withholding Account Numbers may be submitted electronically. Files containing employers with “applied for” status, and files with only EINs in place of account numbers will be rejected. Contact Maine Revenue Services for assistance.
- Only **ASCII files** (American Standard Code for Information Interchange) will be accepted.
- Compressed files **cannot** be processed.

Revised July 31, 2014

ASCII Character Set

- American Standard Code for Information Interchange (ASCII) will be accepted. Appendix B contains a table of the ASCII Character Set.
- All character data will be treated as uppercase.

Logical Record Length

- Each record must be a uniform length (275 or 276 characters). In files with a record length of 276, the 276th character must contain a blank that is coded in the same character set as the first 275 characters. Logical records MUST NOT be prefixed by record descriptor words or block descriptor words.

Delimiters

- Each record must be terminated by any one of a line feed ('\n'), a carriage return ('\r'), or a carriage return followed immediately by a linefeed.
- The ASCII-1 hexadecimal value for the carriage return character is 0D (zero and letter D); the ASCII-1 hexadecimal value for the line feed is 0A (zero and letter A). The ASCII-1 decimal values for the two characters are 13 and 10, respectively.
- DO NOT place a record delimiter before the first record of the file.
- DO NOT place more than one record delimiter (i.e., more than one carriage return/line-feed combination) following a record.
- DO NOT place record delimiters after a field within a record.

III. Field Formats

Generally

- Alphabetic and alpha-numeric fields (A/N) must be left justified and blank filled.
- Not applicable alpha and alpha-numeric fields are to be space filled.
- Numeric fields (N) must be right justified and zero filled.
- Not applicable numeric fields are to be zero filled.
- Filler fields are not used by the state of Maine.

Money Amounts

- Money fields are strictly numeric.

Revised July 31, 2014

- Include dollars and cents with the decimal point assumed.
- Do not use any punctuation in any money field.
- **Negative (Credit) money amounts are NOT allowed unless otherwise specified.**
- **Right justify and zero fill all money fields.**
- **Money fields that are not applicable must be zero filled.**

SSN Formats

- Use the number shown on the original/replacement SSN card.
- Use only numeric characters and omit hyphens.
- May NOT begin with a 9.
- May NOT be 111111111, 333333333 or 123456789.
- For valid range numbers, check the latest list of newly issued Social Security number ranges on the Internet at <http://www.socialsecurity.gov/employer/index.htm>
 - Under the Social Security heading, select Verify SSN's. Then follow the instructions on the Social Security Number Verification page.
 - If there is no SSN available for the employee, enter zeros (0) in location 2 – 10 of the Employee (S) Record, and have your employee call 1-800-772-1213 or visit their local Social Security office to obtain an SSN.

Name Formats

- The employee name on the Employee (S) Record should agree with the spelling of the name on the individual's social security card.
- Punctuation may be used when appropriate.
- Do not include any titles in the name. Titles make it difficult to determine an individual's name and may prevent properly crediting earnings data.

Other Formats

- Zip Codes must conform to US Postal Service rules.
- For US Zip codes:

- Zip code contains 5 numerical digits (example: 04332)
- Zip Code Extension contains hyphen plus an additional 4 digits (example: -1061)
- For Canadian Zip codes:
 - Canadian postal codes are in the format of ANA NAN, where A is a letter of the alphabet, and N is a digit, with a required space separating the third and fourth characters. An example is K1A 0B1
 - ZIP code field contains the first 3 characters, space, and next character (example K1A 0)
 - ZIP code extension contains the last two characters (example B1)
- For International Zip Codes:
 - International zip codes are not allowed at this time. Enter zeros.
- Telephone Numbers
 - Numerics only. Omit hyphens and parenthesis (example 2075551212)

Record Descriptions

- Only the MEETRS 275 or 276 Character format is acceptable.

For Employee Leasing Company

- For Maine income tax withholding purposes, individuals providing services to a Client Company pursuant to an agreement with an Employee Leasing Company are considered employees of the Leasing Company. Therefore, the Leasing Company will report withholding for all of its direct employees and those providing services to a Client Company pursuant to an agreement with the Leasing Company. If a Client Company has employees not associated with any leasing company, it will file a separate return reporting those employees.
- For withholding, the leasing company will submit one return file to report all leasing company employees regardless whether the employee worked directly for the leasing company or a client company. Employees working directly for the leasing company will be listed first, followed by employees working for client companies.

Maine MEETRS Records– 275 CHARACTER (276 CHARACTER)

Revised July 31, 2014

This format consists of seven (7) different records as shown.

Transmitter Record	Code A	Identifies the organization submitting the file. Must be the first data record.
Authorization Record	Code B	Identifies the type of equipment used to generate the file. Not required. If present the record will not be read by Maine Revenue Services.
Employer Record	Code E	Identifies an employer or withholding agent whose employee or payee Income tax withholding information is being reported. Generate a New Code E record each time it is necessary to change the information in any field on this record.
Employee Record distributions to (Individual's Record)	Code S	Used to report Income tax withholding data for an employee or an individual. A Code S record should follow its related Code E record or it could follow an associated Code S record which in turn follows a related Code E record. Do not generate a Code S record if only spaces or zeros would be entered after the record identifier.
Total Record	Code T	The Code T record contains the total for all Code S records reported since the last Code E record. A Code T record must be generated for each Code E record (i.e., for each Employer's data reported in a file there must be a total record).
Reconciliation Record	Code R	The R record is used to record each withholding tax deposit made to the State of Maine during the quarter. If no money is sent to the State during the quarter, there is no need of an R record. However, if money was deposited with the State of Maine, there needs to be one R record for each deposit representing each date wages were paid.
Final Record	Code F	This record indicates the end of the file and MUST be the last data record on each transmittal. The Code F record must appear only once on each file, after the last Code T record.

Semi-weekly Payments of Withheld Income Taxes	A withholder must remit payments on a semi-weekly basis for the entire calendar year if the aggregate amount of withholding reported for the look back period was \$18,000 or more. If the day wages are paid is on Wednesday, Thursday, or Friday, the withholding must be remitted by the following Wednesday. If the day wages are paid is on a Saturday, Sunday, Monday or

Revised July 31, 2014

	Tuesday, the withholding must be remitted by the following Friday. If a pay or distribution period spans the end of quarter, and wages or nonwages are paid on payment dates that fall in each of the two quarters, separate payments must be made to each quarter.
Transmitter	Person, organization, or reporting agent submitting an electronic file.
Withholding	The amount of Maine income tax withheld from wages and other payments subject to Maine income tax.
Withholding Account ID Number	A withholding account number assigned by the State of Maine to an employer or other entity that is registered to withhold Maine Income Tax; or that is assigned only to allow processing of the UC return through Maine Revenue Services.
Withholding Agent	The business entity that is required to withhold Maine income tax regardless of the method of payment utilized.

Appendix D - Maine MEETRS System File Upload Edits for Quarterly Returns

Below is a partial list and description of system edits that may cause the MEETRS upload system to reject a quarterly file. The edits are subject to change and additional edits may be employed if needed.

1. The transmitter logon ID and password must be correct or the system will not allow access.
2. The filing quarter and filing year entered on the upload web page must agree with the quarter and year entered in each record within the file.
3. All numeric fields must contain a numeric value or be filled with zeros. If a numeric field is left blank, the file will reject. For example, if field location 194-203 on the A record (transmitter phone number) is left blank, the file will reject.
4. The Withholding Account Number for each employer will be validated against Maine Revenue Services' records. If the account number cannot be validated, the file will be rejected.
5. Every E record must have one associated T record.
6. The Withholding account number must be the same in the E, all related S, and the T record for a given employer.
7. The total number of employees/payees entered in field location 2-8 in the T record must agree with the total number of S records for this E record in the E-S-R-T set. For example, if it is stated in the total record that there are 43 employees for this employer, then MRS must read 43 S records.

Revised July 31, 2014

8. The Quarterly Maine Income Tax Withheld reported in field location 213 226 on the T record must agree with the accumulated amount by summing the Quarterly Maine Income Tax Withheld reported in field location 191 - 204 on each S record.
9. The total voucher payments reported in field location 112 – 122 on the T record must agree with the accumulated amount acquired by summing the Amount Deposited value entered in field location 19 - 27 on each R record.
10. The total number of employees/payees entered in location 2-11 on the F record must agree with the count of S records on the file.
11. The total number of employers entered in location 12-21 on the F record must match the count of E records on the file and must match the “Total Number of Employers” entered on the Upload page.
12. Only one return will be accepted electronically for each employer, regardless of who transmitted the return, or the electronic system used to file the return. Amended returns must be filed on paper.
13. The Maine income tax withholding due in location T 123 - 133 must equal the quarterly Maine income tax withheld in location T 213 - 226 minus voucher payments in location T 112 - 122.
14. The Maine income tax withholding due in location T 123-133 must equal the total amount due for the quarter in location T 175-185.
